

Motion to adopt a new NaSTA constitution

Proposer: Christopher Osborn, NaSTA Chair

Seconder: Haaris Qureshi, NaSTA Deputy Returning Officer

This Association notes:

1. At the 2017 AGM the NaSTA Executive were mandated to start the process of NaSTA applying to become a charity.
2. The existing NaSTA constitution does not meet the requirements of charity law.

This Association believes:

1. The new constitution proposed in this motion ("NaSTA Constitution 2017") meets the requirements of charity law and must be adopted before NaSTA can apply to become a charity.

This Association resolves:

1. To adopt the new constitution with immediate effect.

This Association mandates:

1. That the NaSTA Executive and Returning Officers apply for NaSTA to become a charity.
